

Declaration of REACH Conformity

Perles&Co

Date : 2026-06-19

Subject : Address any Substances of Very High Concern (SVHCs) contained in the product

This document certifies that the products, sold by Perles & Co, are compliant with the European **REACH standard - Annex XVII n.23 27 and 63**, concerning the heavy metals, and the release of nickel, as mentioned below :

- Nickel : rate of nickel release less than 0.2 µg/cm²/week (migration limit)
- Lead : equal or less to 0.05% by weight
- Cadmium : equal or less to 0.01% by weight

NB:

- Products of European origin: Manufacturers are responsible of the products they made, attest and certify that their products are compliant with the REACH standard.
- Products coming from outside the EU : we ask our suppliers to respect these rules but we also test the products ourselves.

We are responsible and make sure that the products are compliant with REACH Standard.

The Manager.

A handwritten signature in black ink, appearing to read 'J. Gauthier', is written over a horizontal line.
